IMPORTANT NOTES

Photography and Recording

The SKGB plan to engage a photographer who will take action/podium shots of the competitors. Photographs will be taken at the event for promotional purposes, however should anyone have a concern please contact the event organiser prior to the event.

IMPORTANT NOTES FOR COACHES:

Only NGB accredited coaches are permitted in the tatami area.

Following an SKGB Refereeing Commission meeting it was decided that anyone wishing to coach at the tatami during SKGB events would have to have NGB accreditation to prove they were aware of the required rules, responsibilities and expected conduct. **Without this accreditation a coach pass will not be issued by the event organiser.** All coaches must register via Sportdata.

Coach: Dress code:

Coaches must be in association tracksuits and clearly display their coaching ID badge. Inappropriate dress, as deemed by the chief referee, will be refused access to the competition area. Only coaches adhering to the correct dress code and in possession of a coaching pass will be allowed on the competition area.

Coach: Medical

We record every injury that gives us the slightest concern, however symptoms often occur after the incident and we would ask that the coach or representative informs the medical team of any concerns he or she has at the time of the incident, or anytime after, no matter how trivial it may seem.

We fully intend to have Repechage for CADETS, JUNIORS and SENIORS Individual Kumite and Kata.

However the chief referee has the authority to withdraw repechage if the time frame becomes critical. *Competitors can only compete in their own categories and cannot move up to compete in another category. In the unlikely event of low category entries the organisers reserve the right to amalgamate categories.*

Insurance: It is the responsibility of each individual, or parent / guardian of a competitor if under 18 years of age, to have their own insurance cover for the event. Please advise your competitors accordingly regarding insurance cover. It is the responsibility of the clubs/coaches to ensure that all competitors are aware of this and have been advised of adequate cover. Association/club parental consent to compete is also required. This is the responsibility of the association.

Health and Safety issues have been discussed and we try to plan for every eventuality. However this is a busy tournament and due care and attention is required in all areas. Would all coaches/parents ensure their children are properly chaperoned. Karate matches are performed in bare feet, please ensure proper footwear is used in the arena and surrounding areas, especially approaching the mats.

Disclaimer: Karate is a martial art and contact sport. People can and do get injured and we cannot accept responsibility for any such injury, loss or accident arising from your participation in our training, competitions or associated activities and ask that you are aware, agree and accept this by entering or giving permission to enter this event. We should also be notified, in writing, of any medical condition that may have relevance to their participation in karate.

If you require any further information or assistance then please contact events.kteam@gmail.com

All Competitor & Coach Registration is via Sportdata

Please note these championships are open to WKF affiliated members only

“**SportData**” allows for “on-line” registration. Many major championships around the world are now using “SportData”. You will be able to see all the entries for the contest as well as the draw sheets once they have been generated. ***This is the ONLY METHOD for registration for SKGB events.***

All entries are online only: For registration please visit: www.sportdata.org
For help on how to register online visit: http://www.sportdata.org/set-online/faq_en.php?active_menu=faq

Entries will only be accepted via your coach/association and not from individuals.

Should certain categories fail to meet an acceptable number of entries, or indeed an excess of entries, the event team reserve the right to alter/merge these categories to maintain the integrity of the competition.

Coach Registration: All coaches must register on-line via Sportdata before the closing date. Coach passes will only be issued to coaches who are NGB accredited and registered via SportData.
